of property, or the amount of a settlement or award specifically apportioned as pay for lost time.

(2) An amount paid as a result of a lawsuit based on wrongful death.

(3) Workers' compensation payments.

(4) "No-Fault" personal-injury protection benefits or any other benefits paid under a health, sickness, accident or similar insurance policy carried by an employee.

(5) Payments made to an employee under the terms of his or her insurance policy providing for payment of all amounts that the employee is legally entitled to recover for bodily injury from the owner or operator of an uninsured motor vehicle.

§ 341.3 Notice of lien.

(a) *Notice to alleged tortfeasor.* The Board shall mail a "Notice of Lien" to each person or company identified as liable or potentially liable for causing the employee's infirmity. The "Notice of Lien" will notify the person or company of the Board's right to reimbursement. The notice shall include:

(1) The employee's name, address and social security number;

(2) The date and place of the accident; and

(3) The employee's occupation, if injured on duty.

(b) *Notice to employee.* A notice regarding repayment of sickness benefits shall be sent to an employee who names a party other than a railroad as the alleged tortfeasor.

(c) *Notice of amount of lien.* The amount of the Board's lien shall be reported, upon request, to a railroad or other person or company that may be liable for paying damages, or to the employee, or to an attorney representing any of those parties. When requested, a list showing the sickness benefits paid for each claim period may be furnished.

§ 341.5 Amount of reimbursement.

(a) The Board shall receive as reimbursement the lesser of:

(1) The amount of sickness benefits paid to the employee for the infirmity for which he or she recovers any sum or damages; or

(2) The net amount of the sum or damages paid to the employee for the infirmity, after subtracting the amount of the expenses listed in paragraph (b) of this section.

(b) The expenses that may be subtracted from the amount of damages recovered are:

(1) The medical and hospital expenses that the employee incurred because of his or her injury. These expenses are deductible even if they are paid under an insurance policy covering the employee or are covered by his or her membership in a medical or hospital plan or association. But such expenses are not deductible if they are not covered by insurance or by membership in a medical or hospital plan or association and are consequently paid by a railroad or other person directly to the doctor, clinic or hospital that provided the medical care or services.

(2) The cost of litigation. This includes both the amount of the fee to which the attorney and the employee have agreed and the other expenses that the employee incurred in the conduct of the litigation itself.

§ 341.6 Report of settlement or judgment.

(a) When a person or company makes a settlement or must satisfy a final judgment based on an injury for which the employee received sickness benefits, the person or company shall notify the Board of the settlement or judgment. That notice shall be in writing

and submitted within five days of the settlement or final judgment. That notification shall contain:

(1) The amount of the settlement or final judgment;

(2) The date of the settlement or final judgment; and

(3) The amount withheld from the settlement or final judgment to satisfy the Board's lien.

(b) Payment of the amount due the Board shall be delivered to the Board within 30 days after the date of the settlement agreement or the entry of final judgment.

(c) If the damages payable are to be paid directly to the court to satisfy a final judgment, thus making it impossible for the person or company to remit the amount of reimbursement due the Board, the person or company shall immediately notify the Board of the situation.

§ 341.7 Liability on Board's claim.

(a) A person or company paying any sum or damages to an employee who has received sickness benefits from the Board shall, upon receipt of notice as provided in § 341.3(a), be liable to the Board for the amount of reimbursement computed under § 341.5. This liability may be relieved by either:

(1) Withholding the amount reimbursable to the Board from the sum or damages payable to the employee, and subsequently paying that amount to the Board; or

(2) Including the U.S. Railroad Retirement Board as a payee on the check or draft along with the employee and any others who have an interest in the damages.

(b) If the person or company paying the damages does not protect the Board's lien or attempts to protect the Board's lien in some manner other than those described in paragraph (a) of this section, that person or company shall remain liable to the Board until the Board is reimbursed in full.

§ 341.8 Termination of sickness benefits due to a settlement.

(a) Sickness benefits payable to an eligible employee shall be paid without regard to whether any person or company may be liable for causing the employee's infirmity. However, the Board

will terminate the payment of sickness benefits upon receipt of an oral or written report that a settlement or final judgment for the infirmity has been made.

(b) A report of settlement shall be made to the Division of Claims Operations, Bureau of Unemployment and Sickness Insurance, and shall include the information required in § 341.6. Where the report is an oral report, and the informant is neither the employee nor his or her representative, the informant shall be told that written confirmation containing the information called for by § 341.6 must be submitted to the Board within five days from the date of the oral report.

(c) If, in the case of an oral report, the written confirmation as described in paragraph (b) of this section is not received within five days, the Division of Claims Operations shall take steps within five additional working days to verify whether there has been a settlement or final judgment. If there has been no settlement or final judgment, the payment of sickness benefits shall be reinstated.

(d) Within five days of the notification of a settlement or final judgment, the Board shall inform the employee of the report of the settlement or final judgment. The notice to the employee shall state how the employee may inform the Board that there has not been a settlement or final judgment. If the employee states that there has not been a settlement or final judgment, the adjudicating office shall, within 10 days after the receipt of such a statement, make a determination as to the employee's rights to future sickness benefits and shall notify him or her accordingly.

(e) An employee shall have the right to appeal from the determination of the amount of sickness benefits recoverable from the settlement or judgment.

An employee shall also have the right to appeal the termination of his or her sickness benefits after the report of a settlement or final judgment made in accordance with the procedures provided in paragraphs (b), (c) and (d) of this section. Such appeals shall be filed and processed in accordance with part 320 of these regulations.
